“ Carolyn was one of the sweetest ladies I ever knew, we became friends when our sons started hanging out together, they are still close today and I consider Shane my son also. My whole family loved Carolyn she fixed my hair some when Alice was not able and always did a great job. I have missed the Carolyn we all grew to love in these last few years after she got sick but she is with God now and she is not sick any more. I am praying for her family because they have had a rough time and now they can be at peace also for she is in Gods hands now. Miss you Beautiful Lady. Brenda, Mike Chris Mayfield and family
