“ I knew Carolyn in the mid eighties. We worked together at Cato ladies clothing store located in Greer Plaza. She was a joy to be around and work with. I know that heaven gained a special angel. Hearts are broken and you will be missed more than words can express. I love you CJ.

“ I always thought the world of Carolyn growing up across the street from her and Bob. You could not ask for any nicer of neighbors. I have so many memories as a child helping her decorate the yard for Halloween ever year. I will never forget the day I moved my mom to NC with me after my dads passing you and her sit on our front porch and cried talking about so many good times. God bless the family during this time.
