“ Dear Family, I was shocked and saddened to read of Carolyn's death. We went to Cecil's Business College together and were dear friends; through the years we have not been in contact with each other, but I loved her dearly. She was so vivacious, quick witted, and so much fun. Please know that you have my sympathy and my prayers. Had she been sick or was this a sudden illness? God Bless you! “ Dear John, Children and Grands - Carolyn was truly a beautiful lady, as well as a wonderful person. She and I had grad classes wtogether when we were working on our admin. degree at Upstate. I remember most her quick wit and intellect She was my assistant principal at D.R. Hill Middle School, and was a joy to work for. You always knew where you stood with her- there were no games or guess work. You did your job and she respected you. She was a person with integrity, honesty and intelligence. I always cherished the times that Debbie and I would see John and Carolyn at various places. She was really glad to see me as well. Carolyn, enjoy heaven and your eternal rest. You will be greatly missed.

“ Carolyn and I graduated together in '61. We were among the few who chose to 'skip' a year when they first tried this idea. She was such a sweet, sweet person. I was looking forward to, hopefully, seeing her next year as we celebrate fifty years since graduation. It saddened me to learn of her death. My thoughts and prayers are with the family and many friends.##imported-begin##Joyce Bridwell Owings##imported-end##
