“ Words cannot even begin to describe what we are feeling at this time. Casey was a great Son, Brother, Nephew and Friend to those he came in contact with. He had a special knack about him which just made him so loveable. There are so many fond memories that we could go on and on but the times at Christmas or at the pool would probably have to rank at the top of our list. While there will be many hard times ahead for us all, we must remember that no one can take away the memories locked away in our hearts and minds which will live on within us all.  
Sara, Jack, Ashley and Matt... while we are far away physically, know that we are there with you spiritually!  
WE LOVE YOU GUYS!

“ I just want to send my condolences to Casey's family, especially Matt and Ashely. I can still remember the day I met Frady and Casey... my mom was their teacher and she had told me about two crazy guys that had latched on to her. They were inseparable. Where there was one, the other was close by, both being their silly selves. I know that Casey will be missed greatly. My thoughts and prayers are with you all.##imported-begin##Samantha Caulder##imported-end##
