“ So sorry to hear this sad news. I wasn't aware of it until my son-in-law, Rusty Edwards called me. Cathy was such a beautiful spirit and I loved talking with her. Even though she was in pain, she still had that radiant smile. The last time Cathy came in for a test at Allen Bennett she brought me lotion for my helping her. I was doing my job and this is just an example of what a kind and thoughtful person she was.

May God bless her family in his care and give you the understanding to cope day to day. My prayers are with you.##imported-begin##Judy Hawkins Perry##imported-end##
