“ My Name is Daniel Miranda. I was Celine's first cousin. Her mother was my aunt, and my Fathers sister they were grown in Hanford California. I can still Remember being in Hanford just like it was yesterday. I knew Celine and her sister Laura since I was the age of 5. I was born February 02 06 1963 they both had hearts of Gold. My belief is a scientologist and my belief is different then most religions. I know they both dropped there body's and god knows I miss them in the physical sense so much. But I also know that in the spiritual sense no body is gone, no body has been sent them to some dark and desolate Place. No body has lost anyone. I just wanted to say to you Celine and Laura I love you both so very much!!! And one of my most certainly is until we cross agin. Love always and I will never forget the fun we had by being soo close as first cousins. My love to all always Daniel Miranda. Apache junction Arizona.

“ Dear Mark, Jocelin, and Siovean, What sadness to learn of Celine's passing. At a time when the whole world seems to be going upside down, I recall the warmth of her smile and her welcome whenever we came to South Carolina. My whole family sends you all much love. Peter Hans Lehner

“ Dear Mark...

Our Sunday School class at View Church Baptist, has been praying for Celine. Henry and Teri Bridges are in my class and I have asked about Celine and you every Sunday, even texting them for an update.

I feel like I know you and my heart is broken for your loss. I saw a picture of Celine, this morning, and she was as beautiful as I had pictured her.

My prayers will continue for you and your daughters, this has been such a difficult road for all of you too.

Celine is finally free and she's in the arms of Jesus. I am praying that the Lord will cover you with His peace and comfort, in the days to come.
