“ Charlene,

I never thought I could come close to loving another woman anywhere as much as my own mother. No one loves you like moma! But dad pulled a sneak and brought you into my life. How greatful I am! You loved me unconditionally. You accepted and loved me and my brothers, all the grand kids, and Dad. Boy I am sure you didn't know what you signed up for but you were simply, awesomely, completely graceful.

Heaven is richer now and I am looking forward to the day we all are home on heavens shore. Please give hugs and love to mom, dad, Larry, and our sweet son Levi.

All our love!

“ *Charlene was so precious. She always looked so elegant. I loved to brag on how pretty she always looked. She always sent us a Christmas card. I loved talking with her after church on Sunday nights. She was a Grand Lady. She will be greatly missed. Sending love and prayers to her family and friends. Peggy Bagwell.*

“ *I am so sorry to hear of Charlene's passing. She was a very loving sweet person. She always had a hug for me when I visited Mother. She was such a good neighbor and always insisted I visit when I was there. I love you Charlene and will miss you deeply.*
