“ Linda, we are so sorry to hear of Charles' passing. He was a wonderful and fun guy who we remember fondly from our days in Ponderosa. Am including a pix of a gift he gave us that we still have and have displayed in our yards for decades.

You both were wonderful friends and always ready to help when deployments came up.

Thank you so much, God bless you, Betsy and Frank.

“ Linda,
It saddens my heart to hear the passing of Bean.
I remember Bean in our younger years, always a joy to be with. A smile on his face and a positive attitude.
As time moves on and you are faced with a life with him not by your side, it will be different, but you are not alone. This is when you open that treasure box of memories and pull out a few and remember those good old days.

I pray you are blessed with the comfort of Our Lord and Savior.

Much Love My Friend,

Nettie Patrick
