“ In my early memories, my Uncle Bunny was surely one “Cool Dude”. He hadn't been long out of service, his aviator glasses, jeans & loafers definitely made an impression. He topped that when I was around 4/5 by showing up at Grandmas on a Harley & I got to ride down Hwy 414 between him & Aunt Gail with a hat & scarf like hers. Awe, the 50's! Later, the little fishing boat he & Papa would load up for day or night fishing. Spending only summers with family made them all the more special to me then, & precious memories now.
