“ Chuck was my friend, He was a kind Man. It amazed me how we shared a lot of the same visions of the farm, He allowed me the run of the place for many years now. I will miss our conversations, As we shared many of the same interests. He was funny, and very knowledgeable on many subjects and I will truly miss him. I'm so sorry Rene for your loss, He was a gift. I'm a phone call away if you need me....

“ *I am so deeply saddened about My friend Chucks passing. When I was a teen, Chuck was a lifeguard at our neighborhood pool along with Glenn and James Reese. Chuck was kind and funny and he loved all of us that he watched over. He called me and asked me to pick him up at the airport when her returned from the service, to surprise his family. I never will forget his mom hugging him over and over when he walked through the door. Rene' I am praying for you at this time of loss and sadness. Chuck was one of a kind.*

“ *My heart breaks that Chuck is no longer with us. He always had a joke or a story to tell. So many fond memories of when we visited or when he was in Ohio. He had a way with children and they loved his company. Chuck was always a gentleman and a loving husband to Rene. May his soul be guided by the angels and rest in the peace and love of our heavenly Father.*
