“ Our heartfelt sympathy in your loss of Mickey. We were classmates all through school with him - he was a kind person wearing a smile always and full of mischief with laughs. Those were the good 'ole' days growing up with fond memories in our Greer town! May God wrap you in His love for strength, mercy and grace during this difficult time and may your memories give you comfort and some joy during the coming times. You are in our thoughts and prayers. God bless each of you. Sent with our love and prayers,
