“ *I worked with Chuck at Mitsubishi for many years. Always had a way of making us laugh. And shared his love of trains. I could not attend his service because my husband has Covid and I am in quarantine. Please know you are in my prayers.*

“ I was saddened to see the paper and Chuck's obituary. I remember the days of seeing him and Elaine at the NRHS meetings each month and all that he did with the steam excursions during that wonderful time. Blessings to Elaine and the other family members during this time. As I said at my own father's funeral. I never will say "sorry for your loss" to a family member of someone who died. When you lose something, you don't know where it is. We know where Chuck is....having a wonderful time with his Lord and Savior in heaven.

“ Note from Chuck's favorite cousin-in-law: I'll never forget all the crazy adventures our families have shared, especially the trip to Mr. Donut, where Chuck and my dad laughed so hard while I (then a teenager) pretended to be embarrassed. Seriously, I am so glad that we have the promise of seeing each other again because of Christ's work for us on the cross!
