“ Granddaddy, (father-in-law), *{{SIGH}}*, there are so many things I could say about the fine man that you are. I'll keep this solely from my heart.

*I remember the very first time I met you, over 40 years ago. Honestly, you didn't know me at all, don't really think you knew what to think of me. I'm not saying you judged me, that's not you, but you reserved your opinion of me. However, it didn't take long for you to let me know just what you thought of me, you brought me into the fold of your family. Just as if I'd been there all along. You and Grandmother both.*

*Then when Cory was born, from day one, if I thought there couldn't have been any more love to share towards me, you did. I had birthed your first grandchild. You and Grandmother were ecstatic. You have always been there for me, uplifting, encouraging and supporting me to follow my dreams in terms of my education. WE DID IT, GRANDDADDY! The more I accomplished, the more you let me know how proud you were of me.*

*You were the closest thing to a 'REAL' father to me other than my Granddaddy, Fletcher Price. No other father figure in my mind could love me any more than him, but you sure did, equally. That statement alone speaks volumes.*

*I KNOW THAT YOU KNEW I LOVED YOU DEARLY. We talked about just what you meant to me many times over the years. You would always hug me, kiss me on the cheek, look me in the eyes all the while reassuring me that you loved me and would always be there for whatever I needed down to what YOU thought was nothing, but to me, it was everything, a hug.*

*Granddaddy, I'll not be able to attend your funeral, which breaks my heart. But I know you'll feel my heart/presence there anyway.*

*I love you, Granddaddy, I miss you, but I'm happy for you. YOU'RE*

*with the Lord, in the ultimate paradise, with the love of your life!  
What a blessed man you are! Remind her that I love her and miss  
her just as much.*

*One last favor Granddaddy, give one of your great big bear hugs to  
my Grandmama and Granddaddy Price for me. I'm sure they're  
pleased to be reunited with you as well.*

*Rest in peace Granddaddy. Your work here on earth is done and  
you did an AWESOME job, Sir. 🗨️💙💔🗨️*
