“ *Charly was a kind and thoughtful friend.*

Time created a distance between us, but memories of our times together still feel like yesterday.

He'll be missed.

“ *Remembering my dear brother, Fritz, he was the sibling that was closest in age. I share many fond memories of fun times with him growing up. I respect all of his accomplishments and service to our country. I love the way he loved his wife and children. My love and prayers are sent to Jessie, Carrie, Brandy and all of their families.*
