“ *The short time I got to know Charlie as we called him he touch my life and others. Once we understood him and his ways his was a teddy bear. He was embarrassed at times at the love and affection that was shown him but he knew that Bonnie and I loved him. He will be missed greatly.*

He was also know affectionately as Benjamin Button.

I know that his suffering here on this earth has ended and is now in Paradise, whole and happy once again.

I am sorry that I can't be there tomorrow but I have a prior commitment.##imported-begin##Jan Hudson##imported-end##
