“ Although we will all miss you - your sense of humor, your kind heart, your generous nature, your encouragement, and your loving spirit - it's not goodbye; it's only "see you in a while." I'm so glad Caitlin and Kevin were able to see you and that you got to see your first great-grand, Joseph. I hope he grows up to be like his great-grandpa! I'll always love you! “ Dearest brother!
I shall never forget making you a "cement" cake and how special you made me feel by telling me how wonderful it was even though it was the ugliest cake I had ever seen. Thank you for all you taught me, all you love and kindness. Your foot prints are on my heart forever. My thoughts are with your immediate family as they deal with your physical loss though we both know you will be with us forever.
