“ My heart is broken. Susie was such a beautiful angel. But how do you say goodbye to an angel?
How do you adequately thank a precious being for the countless gifts she has freely given, or for the many ways in which her presence has added to so many lives?
I find myself lost in a slew of thoughts, about an innocence and purity of spirit that this angelic woman carried with her throughout her oh-too-short life; about her regal yet sensitive character; about her generosity and acceptance, about her strength and fortitude, especially during these last days, when she continued to display amazing determination to remain with us as long as she could. Time and time again, her precious spirit showed the meaning of true, unconditional love. I can honestly say that I am humbled to have known her and will miss her very much. Fly high with the angels, Susie Horton. Love you, always.

My thoughts and prayers are with her family, Freddy, Emily, and Jacob.##imported-begin##Rhonda Horton##imported-end##

“ If I had known the nite n the hospital wud b the last time I wuld see u, I wuld have stayed longer, I wuld have sat closer,I wuld have remembered every word, we cud have laughed & cried while strolling down memory lane for hrs. I wuld've brought more pics & taken more pics & baked ur fav strawberry cake. But most of all I wuld have thanked u, for being the best friend I'd ever had, for being the kindest,... sweetest person I'd ever known, for sayin I looked fine tho I gained 20 lbs, for making me laugh or calming me down.For calling me up just to talk,for driving over so we cud walk, for all the things best friends do.Good times & bad we had been thru, I'm a better person by having known you.U were the glue that held us all together.I regret all the time we lost the past cpl yrs. I love you & I'm gonna miss you & I pray one sweet day I will see you again & we'll have eternity to spend. If I culd see ur face I know u wuld b smiling as always. R.I.P sweet angel, this world is a darker place w/o u but I can almost hear the angels rejoicing cuz God has brought a most beautiful angel home. May God give comfort & peace to ur family & all who loved u. You will never be forgotten!###imported-begin###Ronda Lunny###imported-end###

“ Susie was such a beautiful, loving, caring woman. Her smile was a contagious one. If ever there was a woman who truly adored her husband it was Susie. She loved Freddie, her children and friends dearly. We have lost a wonderful lady but God has gained a beautiful angel. I am humbly honored to have known her and I can not wait to see her again in heaven one day. She is now made whole with no pain and she is soaring with the angels.
