*Beautiful tribute, his smile was so contagious! In my heaven the Lord prepares a video of our lives much like this, we sit together in silence and watch, he does this so we can see the things we have contributed to his glorious world. Also in my heaven Lisa, Chuck is sitting and talking football with Chris and telling him just how sweet you are! Sending love and prayers to you all and asking for healing grace for your hearts.*

*Such a Great tribute to a Great man, husband, father, and grandfather. He was a very special guy, and he loved his family immensely as they loved him the same. I know this family is hurting and looking for answers, but I know this family knows that God will ease their pain. To Lisa and Leanna my thoughts and prayers have been and will continue to be with you and you are loved by so many. My prayers are that God intervenes and offers comfort to your broken hearts.*
