“ *Nadine, Al & famiy:*

I'm so glad that I got to see Aunt Chris when I and my girls came down to visit Mom at Easter. We had a nice visit with Aunt Chris and I was reminded of the times when I would visit with her over the summer. I remember Aunt Chris's love of fishing, cooking, eating, and laughing! She was always such a joy! Though we will miss her, she has gone home and I imagine there she is surrounded by those whom she loved: Grandma, Grandpa, Aunt Eula, and certainly Uncle Joe! May God comfort you in this time.

Love,

“ *Nadine/Joe,*

I am so saddened by the loss of Aunt Chris. She was a very special lady and blessed many. I will miss her upbeat, energetic life and how she cared for so many. I remember spending a week with her when I was younger. She was so caring and giving. Here in Afghanistan, most of us are working long days/nights. However, in the few brief minutes I have had in the past few days, I remembered each of you in my prayers. I know God will strengthen you and warm your soul in the thought that your beloved mother is truly in the hands of God. I look forward to that great reunion one fine day when I see Aunt Chris again, chatting and enjoying her new, eternal life. No more sorrow, no more pain.

Remembering All of You in Christ,

“ *Nadine & Al & Family: Our hearts are sad along with yours at the passing of your loved one and our dear friend, Christine. It was always a joy to be with her and we have many memories of good times together on trips, etc. Please accept our sympathy and prayers during this sad time. Because of Mot's condition, we will not be able to attend the service but know you will understand. Our love and concern are with each of you.##imported-begin##Mot & Frances Southerland##imported-end##*

“ *Nadine, I am so sorry to hear this news. We were very shocked. Mickey and I are out of town until Thursday but I hope you know our love and prayers are there with you. Tim Leonard called and told us that recently cancer had been found. I think of the wonderful times we shared as families and will always look at my roses knowing they were her pride and joy. And her food - know wonder we all loved coming to your house Sunday nights for left-overs. She was a wonderful Christian lady and made an impression on many including us. We love you.*
