“ My sympathies to your family on the loss of Chris. She was my first teammate when I began teaching at Woodland in 1975. She tried to make learning a fun experience for the children. I will never forget the colonial town we "built" out of refrigerator boxes. She has continued to touch students lives through these many years. I pray that God will enable you to focus on happy memories of your time together. Know that you are all in my prayers.

“ I am so sorry for your loss. Mrs. Elliott was my daughter's IB ambassador leader throughout middle school and also helped her in High School. She had a true passion for children and really wanted them to succeed. I had the opportunity to meet with her several times and she was such a caring, loving person. We will continue to keep your family in our prayers during this difficult time.##imported-begin##Anna Bryant##imported-end##

“ This angel inspired me and encouraged me a lot,beggining in  
middle school. She taught me things I'll never forget. She made  
comming to school early, staying late, or even coming to school on  
saturdays for the IB ambassadors very enjoyable! She would talk to  
me about anything I wanted to talk about and would always find a  
way to make my day better, even by slipping me a piece of candy in  
the ambassador mailboxes she made for us. I wrote her telling her  
how much she meant to me. Little did I know, she would never get  
to read that message. When I heard about her passing I just knew  
she's in a better place now and I am happy for her. I offer my  
upmost condolences to the family. This woman made a difference in  
so many lives. Rest in peace, You will forever be in my  
heart!##imported-begin##Tiffanie##imported-end##
