“ As I joined in from Texas this morning, I paid my own tribute to Christine. My thoughts drifted back to countless family backyard parties and the memory of three little Santos girls frolicking around making me, another little girl, feel very close to a wonderful family. As time passed by and lives spread out, I was reminded today by the words of so many; that Christine’s vibrant, sincere, loving spirit will live on within all of us. There are some who bring a light that is so great to the world that even after they are gone, their light remains. My heartfelt sympathies extend to all of you.
Love,
Karen Fawcett and family

“ Chris was my close friend in middle and high school. She was one of the steadfast members of our adolescent club. She and her home were always open to us, and her friendship was always strong. Though time and life caused us to drift apart, she and our "gang" have always remained in my thoughts. I'm sure her family has a treasure trove of memories and stories about Chris and I hope they find comfort in them during these difficult times.
I will cherish my memories as well.

“Christine was such a beautiful soul. She touched so many lives. Her kind spirit, love of her family and friends was obvious in everything she did. She was my inspiration, my friend and a person who made a difference in my life. I will miss our early morning talks and our nightly snaps. Cooper, your mom will always be in our hearts...she was so giving and even with everything she was going thru, she always took the time to check on everyone else.
