“ Gran's spirit of determination and love for life and others will always be remembered. She might of been small in stature but she had a hugh heart and the most beautiful smile. I treasure all the memories I have of her and her wonderful family. I will miss her presence on earth but we now have such a special angel up above to watch over us. Mel, Carole, Shelley and the rest of the family, I might be 1000 miles away in person but my spirit is right there with each of you. If there is anything you need (even just to talk) I am only a phone call away.##imported-begin##Yvonne and Bob Dacus##imported-end##
