“ *Chris was a member of our MS support group when he still lived in PA. We remember him as a sweet, caring, humble, loving man who came to us after he had spent decades caring for others, especially his brother. He told us that our group was the first attempt he made at beginning a new life with some focus on himself for a change, and he was very thankful for us and our members. He met and fell in love with Donna shortly thereafter and the rest is history :) We will miss you, Chris. You were one of a kind. ❤️*

“ *My heart hurts for Donna and the family. My condolences to you all. Chris had a contagious smile. He was an exceptional man who loved Donna and the children with all his heart. His circumstances didn't seem to control him. He was a fighter. He always had a big beautiful smile, no matter what was happening to him or around him. I wish I had got to meet him in person and learn from him. Chris was loved by many throughout the MS community. He will be missed by us all.*

“ Our deepest condolences to Donna and the family. While we didn't know Chris a long time having moved to SC only a few years ago, we were fortunate to meet this kind and gentle man. His big smile and friendly wave to us when we passed him being taken to dialysis will always be one of our fond memories. May he rest in the peace of Christ.
