“ I was saddened when I saw all the police and ambulance and firefighters at your home Saturday. I knew something major had happened. It was you packing for your travel to be next to our Lord and Savior. I haven't known you long but truly enjoyed our time as neighbors playing bingo and cutting up. Your presence will be greatly missed. Prayers for you family during this difficult time.

“ Many many memories. Watch Christy grow up. Make friends with my nephews during their teen years when they came to live with me. Then she married and had her children and I had my daughter. She was like a second mother to my daughter having her many weekends and vacations. My daughter has always felt like Nick and Coley were her siblings. We all loved Christy and will miss her greatly. I worried less about her mother, Linda because I knew she always kept check on her and was always there for her. She loved her dad very much. Christy had a strong personality and did life her way. She has wonderful husband and two great children. Words cannot say enough good. Rest in peace sweet girl.
