“ Teresa; I'm so sorry to hear about your grandmother. My mother saw it in the paper today and called me; she always loved Clara & we used to run into her sometimes when she still worked, etc. I know it's been years & years, but maybe you'll remember me from Greer Middle (Janet Simmons / former old flame of Jr Howard).....At least she lived a good long life and she's in a much better place now.

I hope you & your family are well. I'm sorry I can't attend the funeral or visitation (due to work).....but I'd love to see you.
