“ "Sis" Perry as she was known to us for the last 22 yrs., was the example of what a saintly dear lady should be; "The aged women likewise ...teach the young women" (Titus 2:3-4). There wasn't a time that you would visit her with the intentions of lifting her spirit, and she wouldn't have that lifting effect upon you instead. I'll forever enjoy the memory of "Sis" singing the glory down @ Plesantview, on the song about Noah waiting for God at the open window. It was a great honor knowing this saint of God this side of the grave, and will be an honor shouting the streets of glory with her on the other side. We pray for the family...###imported-begin###Brent & Teresa Backer Family###imported-end##
