“ So very sorry to learn of Clarence's passing. I grew up at 7 twenty third street and remember all of the Bailey family fondly. My brothers, Kit, Terry, Paul, and Robert were friends with all the Bailey boys. They grew up playing with them. We just lost Robert last May and my brother, Kit, in August of 2011, sister Ann in January of 2012.

*My prayers are with you all. May God bless you all and keep you in his arms. Family is so important to us all and all the childhood memories we will cherish.*

“ *On February 10th God make the choice to take my Brother and my friend and my buddy to his home in Heaven. We are left here on earth in sorry while he is walking the streets of Heaven and meeting all our family that has gone on before. Jesus was waiting with our Father and Mother to greet him and Jesus put his nail scared hands out and said welcome my Son the battle has been won. While we are still left we have battles to win. I love you and I miss you my Brother until I join you when my battle is final won. Your Brother Bill*

*It only seems yesterday that my Bro, Clarence left us to be in Heaven. He has no pain, no sorry and I believe he, my Mother, Father and all the other Bro. and Sisters that are with him, if given the choice would not want to come back. The choice we have now the ones that are left is make sure that we serve the Jesus that my Family and others are with in Heaven. If they could get a message to us I believe it would be that Jesus and Heaven is real. Still miss you C.E.*

*Tracie...I am so sorry to hear about your Dad's passing. He was such a good man. I had an Uncle that had a stroke 25 yrs ago. He lived behind your Dad on Snow Street. Every summer, your Dad came and cut his grass for him. Never was asked to do it...just done it out of the goodness of his heart. That's a special person. I know you will miss him and right now you feel like you will never smile or be happy again. But you will...try to remember the good times you had with him and what a wonderful childhood he and your Mom made sure you had. I was there...I know it was great. If you need me, you know where to find me. Love you Girl*
