“ Babb was a wonderful neighbor when we lived on Sunrise Drive in the Fairview community. He was a great help to us when we were young novices learning about yard care! Hillcrest Power Equipment was the place to go to purchase equipment for yard and garden care! Babb would always give you great instruction and honest service. We will all miss this good man. Our prayers go out to the family.

“ John, Janet and family, my condolences to you all in your loss. I first met your dad when I first moved to Taylor's in 1976 and bought a chainsaw and eventually a lawnmower from him. I met your mom at that time also. Mighty fine people. Our prayers are for your comfort at this time.
