“ *Sherry and family, I feel as though I already knew you from talking with your Dad about you.*

I'm so sorry for your loss. Larry was one of the nicest men I have ever known. I know that he loved his children and grandchildren with all his heart.

I will miss his e-mails as well as his hugs and conversation at church.

May you be comforted during your time of sorrow and may God give you peace.

We know he's in a better place and is missed by everyone who knew him.

“ My Dear Mildred, Angie, Alice and Jeff, just want you to know that my love and thoughts attend you during this difficult time. I've always thought of your family as kin, but it seems that all too often our gatherings have been to send a loved one to their eternal home. I regret that I can not be there so just remember that an old guy down in FL loves you.

“ To the Wade family, I was very sorry to see that Willie had passed away. I was told just a few days ago that he was at the Hospice House in Simpsonville. Was not aware that he was that bad until then. William and I have been friends for many years as we grew up as neighbors on Victor. I will be keeping the family in my thoughts and prayers. May God Bless. Doug Wilson##imported-begin##Doug Wilson, Mauldin, SC##imported-end##
