“ Teresa and family, so sorry for your loss, you all are in our thoughts and prayers. She was in our Morning Club group and we have missed her so much this past year. She had a great sense of humor and was always complimenting people on their looks and clothes. We also loved it when you could come and visit Ruhamah. Bless you, Miss Clarideen, love you.

“ I am very happy for Clarideen. She is home with her husband & daughter. I was her caregiver and friend for many years. I called her my little buddy. I met her at a red hat lunch and found out she was my neighbor. From then on we went many places together. She had quit driving her car so I became her driver. She told me many stories about her life and the fun times she & her husband had traveling. And her twin girls. She was the grandmother I never had. Rest in peace Clarideen. I will always remember you and fun times we had.
