“ Karen,
I wanted you to know i was thinking of you and your family. Your mom was such a wonderful person and I know you have great memories of your times with her. Your relationship with your mom reminds me a lot of me and my mom so I can not imagine the pain you are feeling right now. She loved you and your family and those grandchildren of hers. Not only did Kendal's face light up when she saw her grandmother but there was always a special smile that came on her face when she saw Kendal and Trey. Thanks for allowing me to have the opportunity to get to know her. Please let me know if you need me. Lisa###imported-begin###Lisa Cox###imported-end##

“ Dear Claudette, Having lived next door to you for 28 years with never a cross word between us speaks volumes about how you lived your life. You were a dear and caring friend, and we will miss you always. It was our privilege to know you and our joy to share many happy times with you. One favorite is St. Marteen and the fun days we had. God may have taken you, but he has not taken our memories. May you rest in peace, Claudette. Dear John, Rose, John & Lorraine, Johnny & Nick; Jimmy & Kelly, Marissa & Mallory; Karen & Richard, Kendal & Trey: For all the years and all the time, Claudette's love for all of you was always shining through. I loved seeing it and hearing about you all. We are grieving with you, and send our deepest sympathy and special love. “ I feel so blessed to have met Claudette, spent time with her, laughed & cried with her. Even though it has only been since we were all so lucky to have both John & Claudette move to Moss Creek around 2 years ago. Claudette & I instantly bonded having both relocated from NY. I had spoken to John several times walking my dog prior to meeting Claudette. I had already heard such wonderful things about her from other neighbors. One day while speaking to John outside his home he asked me if I wanted to see it since it was the "larger" version of the home I owned. This is when I met the lovely, kind & warm Claudette. She welcomed me into her home & gave me the grand tour. She asked me to call her, "Clo" (which I never did). We became fast friends. I loved & adored her instantly. I wish I would have gotten to spend more happy times with her & even to have known her when we both lived in NY. John, Karen & the rest of Claudette's family you have been so fortunate & blessed to have had Claudette be part of your lives. I am grateful to have been touched by her & I already miss her so (tears, tears).....

“ Mommy...I love you more then any words could ever express. You are my absolute Best Friend. Never a day passed without speaking to you multiple times. You made all the bad stuff easier to deal with because of your unending patience, support and love. I can't even begin to imagine the emptiness that will be in my life with you gone. Yet..I am so relieved and happy that you are finally at peace. I will spend the rest of my life sharing your amazing spirit with Kendal and Trey. You were the light of Kendal's life and she will always be Grandma Clo's girl. Last week I promised you that I will always be here to take care of Daddy. May your eternal light shine brightly over me and help guide me to act in your graceful memory. I will miss you every second of every day. “ Aunt Claudette,

May your precious soul rest in peace. Your unending love and caring sprinkled my life with so many fond memories, none of which I will ever forget. You lived life the way life should be lived - by truly giving your all to touch our lives in every way possible. I hope I can live to your example and pass on the same love to my children and nephews.

“ Dear Uncle John, Cousins John, Jim and Karen and the Sbarra family,

I was so saddened to hear of Claudette's passing, and wanted to express my deepest sympathies to all of you, and your larger family.

I have many fond memories growing up of her kindness and interest in my life, and, more recently, at the impromptu reunion in Beaufort NC, and at Laura's wedding celebration in Phila.

Please know my thoughts are with you at this difficult time.

Your nephew and cousin,

“ Dear Suger's, I am so sorry for your loss. But i wanted to let you
know that when i think of my Aunt Claudette, i think of a warm
friendly lady that always made the effort to talk to me and find out
what was going on in my life. Even though we saw less and less of
each other as the years went by, nothing changed--she was still as
interested as ever in her nephew's life. I am thankful to have known
her. Best regards Tom##imported-begin##Tom Suger##imported-
