“ I have known my mother- in- law for 32 years, as all families do, we had our differences every once and a while but let me tell you her children came before anything. She would do what it took to help her children in any way she could; well let me put it in a nice way, you just didn't hurt her children without hearing from her.

“ Mrs Clemmie was just the sweetest woman I know. She was always such a blessing at church. She was alot of fun to be around. And strong as an ox. Even in age she ran circles around us younger kids in Pigeon Forge. She will be deeply missed by all of us at Glassy Mountain Church Of God. Your family is in our thoughts and prayers as you have truly lost a legend in her own right. Until we meet again in Heaven.

“ *Clemmie was herself what ever she was involved in, or wherever she went. I Remember her from our childhood and always considered her one of my best friends. Loved her even though I haven't seen her in several years. To the family , God has called another one of his children home. Libby Owens Cantrell*
