“ Dear Harmon family,
We will miss Cletus dearly and are stunned and saddened by his passing. He was a wonderful neighbor and friend to us over the years. He was the first to introduce himself to us when we moved into the neighborhood almost 12 years ago. He was the kind of person who would look out for you and would help you any chance he could. You don't see that anymore and we will truly miss that where we live.

I know he adored Jennifer and Matthew and I know they loved him. We'll always have fond memories of them all playing in the yard and driving that golf cart up and down the road!

We pray that God gives your family strength during this hard time and that He gives you comfort during the times to come. We mourn this loss with you and will miss his friendly smile and wave.

Please let us know if there's anything we can do.
