“ *Doug, Terry, David and family. So sorry to hear of Clints passing. I went to see him right after he went into the nursing home. I talked to him for a little while about the times that I remember the most. When he spread the chicken waste on the yard to make the grass grow. What a smell but that grass grew fast. Times he brought home MANY dozens of ears of corn and beans. Was hard work cleaning and snapping but was so good. And how he loved to polish his cars. I would not give up any of the memories made while staying with them growing up while mom and dad worked at the mill. Sorry I can't be with you all Tuesday in person but I have and will be praying for comfort and blessing of your best memories to carry you forward.*

“ Dear Doug, Terry, and Family:
My heartfelt sympathy to you in the loss of your Father. May God surround you with His love with grace and peace during this difficult time and may your many memories give you comfort. We can rejoice in God's promise that we will see our loved ones again with Him in Heaven in the sweet bye and bye. Doug, I remember our days working at MetLife there in Spartanburg quite awhile ago but I have fond memories of those days and Terry, I called you at Coke to order our drinks for the Met Office and always appreciated your help with our order. (We had to have our cokes!) Again, I am sorry for your loss, and will keep your family in prayer. God bless all of you. Sent with love and prayers,
Linda C. Roberts, MetLife retired.
