“ On any given weekday during the off season of basketball, we all knew where Clint- usually at "pickup game at the local mill gym-Greer Mill was my place to play. He was a swisher with his classic set shot.

“ *I’m so sorry for your loss. Clint was a great man. Always ready to help you. I remember my son dropped me off at the ER and said when I was done call him he picked me up. Well he fell asleep wouldn’t answer the phone so I called Karen. She asked Clint if he could come get the first thing out of his mouth was why i surely can. On the way he scared me with his driving. He was like a race car driver. But he got me home waited till I got in the house. He will be sadly missed. Clint and Karen felt like family not just friends. Will miss you Clint God Bless*

Clint was a good friend to our family, especially my brother Steve. Two peas in a pot as some would say. We grew up on Victor which was such a great time. No telephones or TVs. And we never got bored. We loved it when all the kids would play together on the summer until we heard our Mother calling us for supper. I’ll never forget all those good times with our friends. So glad I had all those experiences and good friends like Clint.

I liked Clint Turner. I would speak to him every time I saw him, and he was always fun to talk with. I went to Byrnes with sister-in-law and brother-in-law, Judy and Benny Phillips, but I think I knew Clint from Greer.
