“ Dewitt, Kit, and Dave. Want to send my deepest condolences. Dee was a special guy. We grew up together as teenagers to young men. I always hated we lost contact over the years as we went separate ways. I hope at some point you can find peace as he's in a great place now.

“ Sending my deepest condolences to Dee's family. I have so many special memories of times spent with Dee and Dave during high school and college, especially when I would go stay with them for the ECU/USC football games and hanging out on the back porch of their apt. with the tiki torches. He always made even the boring things fun! -Kim Carson
