“ Your mom was a very special lady and I know she was very happy living there with you. Your family will have many wonderful memories made there with the children, grandchildren and great grandchildren. Her face would light up with those little ones around her. The scripture Philippians 1:6 describes her in my mind, "God began doing a good work in you, and I am sure He will continue it until it is finished." It is finished, and she can rest. We will keep all of you in our prayers in the coming days, that He will give you a peace and comfort. Love - Teresa and Fred & family##imported-begin##Fred & Teresa Allen##imported-end##
