“ *I moved from NY to SC and started going to Northwood middle, Colin was the first friend I had. He was really a cool kid. I moved back to NY after 8th grade and lost contact with him and found out what happened to him was the same day my son was born. I named my son Michael.. Thanks for the all the memories and laughs we shared*

“ *You are still very missed. I listened to that Dustin Lynch song "Cowboys and Angels" the other day and I both cried and laughed. You were so full of life, love, and heartbreak. To this day I both thank the Lord for knowing you and beg to understand this loss. I look at love and life so much deeper because of you. I also approach this life and other people with a fragility I hadn't known before. I pray that time as eased the hurt of losing you for your lifelong family and friends. I want you to know in the few short weeks you were in mine, and ever since, I have been blessed to have known your beautiful heart*
