“ *I am just so heartbroken to hear this. Colin was such a good little friend to JT and Summer when they were children. Those were some very special times back then. I still have a snowman that Colin brought to me one Christmas day many years ago. I always think of him when I unpack and decorate for Christmas. Love and prayers of comfort to all the family and friends.*

“ *Colin was definitely the kind of guy that was always there for everyone if they needed anything, even if it was a simple laugh or a huge hug. He was caring, sweet, smart, and hilarious. I first met Colin my freshman year at Coker and I can tell you that everyone that was around him loved him so very much. We are all going to miss him terribly and he will never be forgotten.*

“ *We are so saddened at the news of Colin's passing. Our deepest sympathies go out to your entire family. Our son Collin Solesbee met Colin at Coker University and they became friends. They would joke about the spelling of their names quite often as our son would tell us. We want you to know that we continue to lift you up in prayer and we continue our petition to the Lord that He surround each of you and that you feel His presence and His absolute peace that passes all understanding.*

May God Bless and Keep You,

Susan, Len and Collin Solesbee
