“ Dear Judy and Phil and family,
Brenda and I would like you to know that we are so sorry about the death of your mother. Although it has been years since we have seen each other,the years nor the miles can not diminish our love for you and your family. It seems like only yesterday that we were all in church and school together, and that I was getting my haircut in a certain barbershop, or working alongside your brother BIlly. Your mom was one of my favorite people##imported-begin##Billy and Brenda Vaughn##imported-end##
