“ I met Cornelia Hawthorne through dear friends of mine, Don and Tammy Henson. I only saw her once, the day I met her and could tell she was a precious lady. I felt like I had known her for years due to the friendship she shared with Don and Tammy. They loved her so. My thoughts and prayers are with Cornelia's family, neighbors and friends.##imported-begin##Wanda Gordon##imported-end##

“ Fran and Barbara,
So many memories of you and your family. Mrs. Hawthorne was like a second Mom to me while we were growing up. I have only fond memories of her. She impacted my life in so many ways and I learned so much from her. I am so thankful that she gave of herself to Girl Scouts for so many years (another impactful area on my life). I remember spending the night at your house so many times and we always had family devotions and knelt by your couch praying. Both your Mom and Dad were super people, so loving and caring. You are in my prayers as you grieve their loss.
