“ We want to express our condolence on the loss of Cory. Psalm 9:9 says the Lord is a refuge for the oppressed, a stronghold in times of trouble. Place your faith and trust in our Lord and Savior Jesus Christ and he will help you get through this tragedy.

“ Cory was one of my students at Blue Ridge HS during 1995/96, my last year at the school. He was in the Honor's Class that participated in my dissertation study, so I had the opportunity to get to know the students in that class so well. I remember Cory's sense of humor, his smile, and his determination. The last time I heard from him was when he graduated from Furman and wanted to let me know. One of the students in that class was the one to let me know that he was gone. The news made me sad, especially for his family, and I have remembered them in my prayers.
