“ Tammy and family, I'm so sorry for your loss. I knew Craig from Tungsten, I can truly say he loved his god and family. I wished he could have gotten help but god had plans for him . Just think he is having a conversation with Jesus. He was a good person. So sorryI know he is without pain now. Probably singing with his dad. The lord is with all of you . I will pray for you to find piece in this time.

“ I knew Craig as a fellow tinnitus sufferer from Facebook. He seemed like a nice man, and spoke lovingly of his family. He was in great pain, discomfort and distress, 24 hours a day. I know how much losing someone you love hurts; I am sorry we could not help him get well. May Craig rest in the silence he so desperately needed. Much love to your family.
