“ *Crystal's sweet smile warmed my heart each school day this year. She was a beautiful child but more importantly she had a beautiful spirit. She taught my whole class what it means to be a true friend. It was a true honor to be her first grade teacher. I look forward to the day that I get to see that beautiful smile in Heaven.##imported-begin##Rebecca Wells##imported-end##*

“ Please accept my sympathy for the loss of your children. My son Liam was one of Crystal's classmates and he has told us so much about her this week. She is remembered by my son as a good girl and a kind girl who was nice to everyone. I pray that God's grace be with you all from moment to moment. Please know that so many people are praying for you both near and far.##imported-begin##Kerrie Seymour##imported-end##

“ Visenta, My heart aches for you as you endure this terrible tragedy! Your children were examples of the love they shared with you. Crystal stole my heart in kindergarten and took a part of it with her to first grade! I will always cherish my memories with her. Take care of yourself and the little one. Call on me if you need me for anything! Carol Crocker Woodland Elementary##imported-begin##Carol Crocker##imported-end##
