“ I remember when Grace came home newborn Viicki was so tired and I offered to rock her to sleep but Curt stepped in happily and took Grace and rocked her to sleep. It was done out of love and kindness. A lovely memory. Another memory involving kindness was taking me to pick up my dying Cat Malay and taking her and I to the Animal Shelter. I had to have her put to sleep because she was in shock and ill he offered to buy her a plot but they were all full years ago he comforted me because I was truly forlorn. She had been my constant companion for many years. I still remember the kindness.

“ Dear Kay and Chris I am so sorry to hear about Curt. My prayers are with you during this time of grief.. Curt and I had a friendship that lasted nearly 35 years. He was a good hearted person and we had a lot of good times over the years fishing and camping and lots of other adventures. I will miss him dearly. He just couldn't get rid of his demons that weighted him down may God rest his soul, loved him like a brother. Prayers for the family. !!!
