“ I'm proud to say Cindy was my friend. She was so kind and sweet never saying an unkind word to or about anyone. She was an animal lover and would always take on the ones in most need of help. She was indeed a wonderful person.. Rest In Peace my dear Cindy.

“ Cynthia was my mother-in-law. She was a very sweet, kind, and gentle woman.
I just want everyone to know that she raised two wonderful sons. She taught them to be gentlemen, respectful, and kind.
I thanked her many times for the wonderful job she did on Bob. When my mom passed she said, "maybe you could be the daughter I never had." From that moment on, I called her Mama Cynthia! But she was such a serious person, (and I'm a clown) I didn't know how to foster the relationship. I finally put my fears aside and decided (I'm just going to be me, and try to get her to laugh). She started laughing, we got closer. I wish I could express how she made me feel accepted.
I will truly miss you, mama Cynthia

“ I met Cindy when I worked at Steel Heddle and we have been best friends ever since. We enjoyed many lunches together and many hours chatting on the phone. I will miss her sweet face and kind words but I know she is in a better place now. God bless you Cindy!
