“ Sweet Missy, I'm so sorry to hear about you Daddy. It was my honor to meet him on several occasions. I loved seeing his face light up and smile when I would tell him what a wonderful teacher you were and how excited your students were when you taught in costume. I told him all the time how proud I was of you, for being such a loving care giver, teacher and Christian woman. Praying for you and your family.

“ Missy, So sorry to hear of your dad's passing, but I glad you are comforted knowing that he's with our Lord. Please know you and your family are in my prayers.

*My dad was a photographer and hiker; his favorite place was Roan Mountain, and that's where he's buried. I know your dad was from there, so now when I visit my dad's grave, I will always think of you and your dad too.*

“ Missy and Lisa, we are so sorry for the loss of your dad. Fond memories of our fun times with both Jean and Bill when all our kids were involved in the youth group. God always puts special people in our lives, and your parents were definitely just that. Doctors appointments will not allow us to attend the service, but know that we will be with you in thought. Love and hugs, Buzzy and Lynn

“ *Although we journey in these vessels of clay, all who are in Christ are promised that Glad Reunion Day. And, as we shall miss our loved ones who sleep, we ponder in our hearts the memories we keep. We pray that God's grace will see us through, and we will give Him all the glory, and praise He is due. So, let us not lament in the things we have lost, rather trust in The One Who paid the costs.*

*May God bless this family always, in all ways.
