Sorry to hear about Mrs. Carter's passing. She was such a wonderful person. She was one of my 6th grade teachers. I would always see her in the store and I would always ask her "do you remember me?" and she always replied "why yes I do Aletha Booker, you were one of my students". We would conversate in the store talking about life in general and sharing memories of my other former teachers, particularly Mrs. Sears and Mr.Dogan. She was one of a kind, stern in her teaching but a very caring teacher who saw the best in all of us even if we didn't see it in ourselves. She paved the way for me and I'm sure some of my other classmates, as well as our other 6th grade teachers to transform from Wellford Elementary School to D R Hill Middle school. Mrs. Carter you are one of my teachers that will forever live in heart and I will truly miss you. I love you! My condolences to the family of Mrs. Carter, May God Bless you and get you through this trying time!!
