“ I had the pleasure of knowing Dale for the last 10years. He always had a smile on his face and a sparkle in his eye. He never came into our office when he wasn't excited about going hunting somewhere or going to watch a big UFC fight on tv. The last time I saw Dale, he looked and sounded the best I had ever seen him. Dale will be truly missed by anyone who ever knew him. Although I am sorrowed by his passing, I rejoice for his life and knowing that he is in a much more peaceful place. My thoughts and prayers are with each of you.##imported-begin##Regina Hooper##imported-end##

“ To the Smith Family,

*I am very sorry for your loss and my thoughts and prayers are with you. Dale was a special friend to me since I first met him at Table Rock State Park in 1980. We kept in touch throughout the years and I was blessed to have known such a wonderful and fun loving man. I recently had an opportunity to pray with him and talk about old times - and to learn that he had such a strong relationship with Christ.*

*I wrote the following poem for him in October of 1994 and later had it published in a book, "Beneath The Harvest Moon."*

*Moment of Life  
In Indian Summer*

*Today I watched the sun set in the October evening sky  
The fiery orange and red -- a stark contrast against the infinite blue.*

*I felt the crisp north wind blowing cool against my skin  
And...I thought of you.*

*I heard a sparrow singing in an autumn-yellow tree  
And I stood still and absorbed the sights and sounds around me.*

*I felt a peace within - that's been missing far too long.  
I closed my eyes and heard an ancient native song.*

*A voice deep within my soul said, "See and feel the harmony.  
You can harvest your dreams...if you'll only set them free."*

*This is Indian Summer with all its splendor!  
God sends this vibrant season before the coming winter.*

*Awaken and see and feel the beauty that prompted me to write this.  
Look, and listen, listen closely...and be sure not to miss...*

*The meaning in this moment of life."*

---

*May Dale rest forever in Heaven with Jesus and be at peace. His memory will live on in my heart. He was a great friend to me and I will never forget him.*

*“ I dated Dale a few years ago and think of him often. He was wonderful. Very kind and fun loving. I am so very sad right now to know this incredible spirit is gone. He brought me great joy and happiness during a time in my life when I was feeling down on myself. He lifted me up and I appreciate getting to know him. He is truly missed and will be in my heart always.##imported-begin##Trish Daugherty##imported-end##*

*“ I am so very sorry for your loss. Dale was such a special person. We met when we were in high school. We "dated" off and on throughout high school and while we were at Carolina. I lost touch shortly after graduation. He definitely left a mark on my heart. He was certainly blessed with charm and personality! Heaven will be a much livelier place now! I hope you take some comfort in knowing how much he was loved by everyone that truly knew him. I pray that God will give you peace beyond all understanding during this most difficult time.##imported-begin##Rhonda##imported-end##*
