“ To My Aunt...
An unmistakable laugh and an irreplaceable voice,
She is the one who was always there.
So many times as I was growing up, I can remember sleepovers at her house, playing games, Christmas Dinners (the best mashed potatoes ever), the funny things we shared and the endless times she came to my side when I needed her. Until we meet again, she will forever remain in my heart and in my thoughts.##imported-begin##Tammy Cagle Lowe##imported-end##

“ We have lost a wonderful woman from our family. Dale has always been a shining light. A woman who loved her children, and grand children. Devoted to her family beyond measure.

Dale, you will be missed and you are loved. I look forward to dangling our feet in the Crystal Sea and being with our families forever.

Until then, Enjoy all that awaits you there. You know it's a mess down here.##imported-begin##Jan Wingo Stevens##imported-end##
